

lunar_crater_database_README.txt
Brief description of bundle contents -- 9 April, 2019.

The **data** collection contains the comma-delimited table file:
'lunar_crater_database_robbins_2018.csv'. This table contains
1,296,796 records with 21 fields in each record. The ASCII
column headers occupy the first 361 bytes of data.

The **document** collection contains the PDF document
'lunar_crater_database_archive_description.pdf' which provides a
brief description, with references, of the data contained in
this PDS4 bundle.

The **xml_schema** collection contains the relevant PDS4 XML Schema
and Schematron files.
