## Checked Baggage

If you have any baggage to check-in, drop by Web/Mobile Check-in counter with this boarding pass at least 1 hour before departure.

## Boarding Time

Boarding is closed at 10 minutes prior to departure. When arriving late, after boarding closure, you will be refused boarding and your checked baggage will be offloaded.

## Boarding Gate

The boarding gate and terminal numbers are subject to change due to unexpected reasons. Please re-check the monitor at the airport.

The Aviation Security Act requires that we check passenger's passport and boarding pass at the boarding gate.

## General Information

- Terminal, boarding gate or assigned seats are subject to change without prior notice under inevitable circumstances such as aircraft maintenance, airport situations or weather conditions etc.
- Korean Air reserves the right to refuse boarding of any passengers possessing an invalid boarding pass resulting from forgery or fabricated data entry during the check-in process.
- It is passenger's responsibility to prepare travel documents for the destination (USA, China, South East Asia, etc). Please make sure to check all documents required for your destination. If you lack a valid visa, you will be denied entry.

## Dangerous Goods in Passenger Baggage

- Restricted items: Combustible/flammable substances, pressurized gas containers, explosive materials, small vehicles equipped with lithium batteries, and other items that may pose danger to passengers and/or the aircraft are restricted.
- Restricted carry-on items: Passengers are not allowed to carry items that may be used to pose a threat to other passengers in any way, such as spears/swords and knives, sporting goods, firearms, martial arts/self defense items, work tools etc. Such items should be transported as checked baggage.
- Restriction of liquids, gels, and aerosols to carry on board: Containers not exceeding 100ml may be carried within one transparent sealable plastic bag with a capacity not exceeding 1l (1 plastic bag is available to be carried on per passenger).
- Exception: Medical items needed during the trip (original prescription bottle recommended) and food for infants are allowed in carry-on baggage.
